EXECUTIVE DIRECTOR'S CORNER

Dear Friends and Neighbors,

Giving comes in many forms in Del Mar. Some give generously of their time as volunteers, some donate to specific projects or programs, and some contribute to the general fund or to building our endowment and many of you give in multiple ways.

No matter what your choice of giving, the Del Mar Foundation thanks you for your contribution. We know that you have many fine choices for investing your time and philanthropic dollars, and we are grateful to be one of them.

This year our fundraising goal of $100,000 helps us cover the costs of our programs and operations. We are currently at $87,000. If you haven't given yet, please consider a gift today of $50, $100 or more. Any amount helps us provide the events that you love: Summer Twilight Concerts, Cultural Arts and Bluegrass Concerts, Children's and Young Del Mar programs, DMF Talks presentations, grant-making, and special events like our bi-annual Beach Clean-up and Halloween Dog Parade.

Together we create a vibrant Del Mar - for today and tomorrow.

Happy Holidays Del Mar!

Karen Wilson

Why do we fundraise?

We raise funds to pay for our programs and events and to make grants to organizations that better our community. How much do we need each year? Our program budget is approximately $100,000 annually. We need your help to continue our portfolio of free programs–Summer Twilight Concerts, cultural and social events for children and adults, DMF Talks–and to grant funds to support community needs such as the Birdwing Classroom and the restoration of the Library Mosaic Wall. If you have received this newsletter in your mailbox, you live or work within our service area. A donation today will ensure that we continue to provide quality programming and free events for all residents. **Please donate to the Del Mar Foundation—your community foundation.**

HELP US REACH OUR GOAL. GIVE TODAY.

Incoming President: Judd Halenza

A few weeks ago, after two outstanding years as President, Jill Weitzen MacDonald gave me the gavel and I became President of the Del Mar Foundation. My goal as President is to continue expanding the good work that has been done by the Foundation in the past and to address new areas where we can have an impact in the future. My wife Susan and I have lived in Del Mar since 1969. During that time the community has grown, prospered and become a place we are proud to live in. Del Mar has always had a strong core of volunteers who helped make it what it is today. The Foundation is proud to be part of that core. Our job in the future will be to meet many of the increasing needs of the community and to make Del Mar an even better place to live.

Outgoing President: Jill Weitzen MacDonald

At the end of October I completed my two year term as President of the Del Mar Foundation. During my 6 1/2 years as a member of the board, I have had the opportunity to work with so many outstanding members of the Del Mar community on a very wide range of projects and events. Each and every one of the volunteers I have met makes Del Mar a more treasured place to live and work and play. My appreciation and thanks extend to the board members and committee members who I have worked with, to Judd Halenza who, after two years as Vice President, succeeded me as President, to the wonderful staff members Karen Wilson and Jan Barnes, and to the many donors who support the organization's efforts. Our future is bright because of all of you.

Thank you Jill for your outstanding service to this community!
